

**Individual Home or Business Certification for Federally Threatened and  
Endangered Species**

For all individual homes or businesses that are constructed after April 3, 2009, the following statement should be provided to the \_\_\_\_\_County Utility Authority prior to establishing service to water and wastewater infrastructure projects funded under the Mississippi Gulf Region Water and Wastewater Plan. If an individual home or business was existing prior to April 3, 2009, this information is not necessary for connection to said facilities.

Please check one of the following:

\_\_\_\_\_ I have coordinated with the Department of Interior, Fish and Wildlife Service, regarding potential impacts of my project to federally protected threatened or endangered species. A copy of the correspondence from the Fish and Wildlife Service is attached.

\_\_\_\_\_ I am not aware of the presence of any federally protected threatened or endangered species identified by the Fish and Wildlife Service (see Attachment A) on my property.

I hereby certify the above information is accurate to the best of my knowledge. I understand that failure to comply with the requirements of the Federal Endangered Species Act may result in enforcement action against me by the U.S. Fish and Wildlife Service.
