

NEWS SPLASH

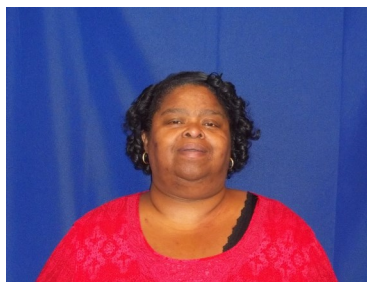

JACKSON COUNTY UTILITY AUTHORITY

JCUA will soon begin their 2017-2018 United Way Campaign. United Way for Jackson & George Counties funds 19 health and human service agencies with programs in the local community. By giving to United Way, you are helping friends, families and neighbors in our community succeed in life and receive help when they need it most. Every donation counts and no amount is too small, so please take a moment and consider contributing.

***October 18, 2017, is when the Helena Utility District will officially be a wholesale water customer of the Jackson County Utility Authority.**
