PMP Plant Featured in TPO Magazine

The Pascagoula Wastewater Treatment Plant will be featured in the July issue of the Treatment Plant Magazine (TPO). The issue will highlight the outstanding compliance and operations of the facility for the last 30 years. The picture used above will be one of the pictures featured in the July issue of the magazine. In this picture, are from left to right: Christian Nevarez (Lab Manager), Chase Glisson (Engineering Manager), Chuck Redmond (PMP Supervisor), and Lauren Smith (PMP Operator). Congratulations to the PMP plant for being recognized for this honor!

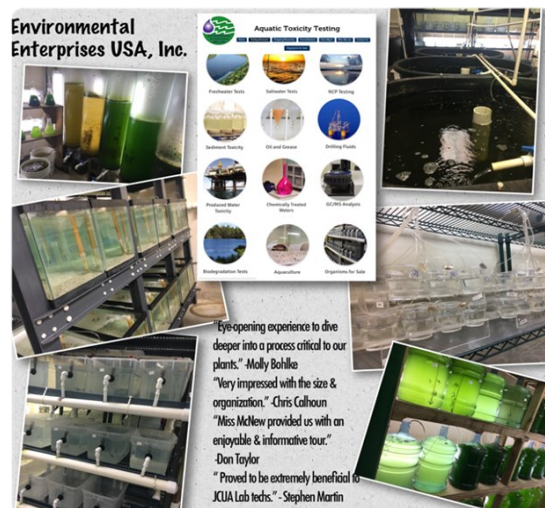

Happy Birthday!

- Ben Barnette
- Craig Ellis
- Andrea Johnson
- James Jones
- Lindsey Lowery
- Rodrick Means
- Zack Mobley
- Jared Seymour

Congratulations to Jonathan Robichaux on getting Married last weekend! We wish you a lifetime of happiness! And also, congratulations to Jerod Martin on the birth of a healthy baby boy!

JCUA Lab Visits Environmental Enterprises

Environmental Enterprises USA, Inc. is one of the largest aquatic toxicity testing laboratories located in Slidell, LA. Toxicity testing is one of the crucial parameters/tests for our West Jackson County Lagoon Treatment Facility NPDES permit. The

Jackson County Utility Authority Laboratory Tech's Chris Calhoun, Donald Taylor, Molly Bohlke and Stephen Martin had an opportunity to visit Environmental Enterprises Lab and get firsthand experience on how the testing is performed thus enabling them a better understanding of the process.
