Redmond Named President for MWPCOA

The JCUA would like to congratulate Mr. Chuck Redmond as he was elected to serve as President Elect in 2019 for the Mississippi Water & Pollution Control Operator's Association. He will assume the role as President of the Association in 2020. MWPCOA presented a plaque to Chuck thanking him for his service on the Association's Board of Governors, where he served on the board from 2017-2019. Thank you very much for your continued service in leadership roles within the county and state.

Service Award Recipient: Carrol Sonnier—5 Years

Flygt Pump Installation

The JCUA's Maintenance department recently installed a rebuilt 200 HP Flygt Pump at Pump Station 09 on Bayou Cassotte Parkway. This is the second largest Pump we have in service to handle the JCUA's toughest wastewater conditions.
