Jackson County Utility Authority

JCUA To Host Water Operator Training

This coming October 2nd and 3rd, JCUA will be hosting one of MsRWA's annual water operator training course's. The course will be held at the Grand Bay National Estuarine Research Reserve in Moss Point, MS. Attendees will receive a certificate for 3 regulation and 3 non-regulation water hours for completing the training. The training will be for 2 days and is free of charge. If you would like to register for this course, you can register at the link below:
