## Rehabilitation At It's Finest

Thank you to the PMP Operations department and Clearwater Solutions for their combined efforts to the City of Moss Point for cleaning up the illegal dump site at Pump Station 18. These pictures show the before and after results of the clean up along with a new security fence that was installed to prevent this dumping from occurring again.

## Welcome Aboard!

Shane Moore-Retail Technician

## Chevron Tours PMP Plant

The JCUA would like to thank the Chevron Refinery Public Relations department for coming and touring the Pascagoula Moss point POTW on Thursday, October 17th.
