## Lagoon Aerator Repairs

Lonnie Hanna and Michael Baugh of the Maintenance Department went out on the boat at the West Jackson County lagoon site where they set out to retrieve the lagoons aerator that needed repairing. This was Mr. Baugh's first time on the boat to help assist with the repairs.

**Healthy You leave approved! Refer to the email sent out on 11/20, or ask your EAC members for more information!**

## JCUA Hosts Coastal Process

Thursday November 21st, JCUA hosted a lunch and learn put on by Coastal Process. Coastal Process treated the Operations departments to a Cornerstone lunch and informed them of the new equipment they have to offer our wastewater treatment plants.
