 Jackson County Utility Authority

## Career Day at GES

### Service Award Recipients:

- \* Jerry Coulter—10 Years
- \* Brian Davis—10 Years
- \* Armond Harvey—5 Years

Mr. Justin Hayes, pictured above second from left, attended Gautier Elementary Schools Career Day. Justin is a pump station operator and here he was able to inform his son's classroom the work he performs at JCUA. He was among many other professionals from around the county who participated in GES's career day, so thank you to Justin for informing the students about his role at JCUA!

## Happy Birthday!

Eddie Denson

Lonnie Hanna

Randy Hogan

Jerod Martin

James Minchew

Michael Newbill

Brandon Robinson

Congratulations to **Ethan Bosarge** for being named the new Retail Supervisor!

Congratulations to **Jesse Spear** for being named the new Collection System Supervisor!

Congratulations to **Armond Harvey** for being named the new Project Coordinator I!

## Oxidation Ditch Repair

Chris Smith and Michael Newbill of the Maintenance Department helped repair the oxidation ditch problem at the Gautier Treatment Plant. They are seen here assisting with the installation of new rotor blades. Thanks for your hard work guys!
