Lively Lagoon Wildlife

Thank you to Sharon Milligan of the Mississippi Coast Audubon Society who captured these beautiful photos of some of the wildlife that exists at JCUA's lagoon, located at our West Jackson County Regional Land Treatment Facility. The top left picture is a snowy egret which is a small white heron, and the top right picture is a red winged blackbird. These are just a few of the many inhabitants that occupy this captivating lagoon.

Welcome Aboard!

Farewell to Fairfield

The Jackson County Utility Authority congratulates Thomas Fairfield, Jr. for 12 years of outstanding service as the Executive Director and the Director of Engineering and Planning. His last day was May 22nd, but will be recognized for his service at the upcoming board meeting on June 8th. Congratulations on a stand out career and thank you for your commitment and dedication to the company. We wish you the best and enjoy your retirement!
