Biology Students Explore PMP Plant

Service Award

Recipients:

- * Jerod Martin—
10 Years
- * Chuck Redmond—
30 Years

On Wednesday December 9th, Mrs. Tingles 9th grade Biology class came to tour the PMP treatment plant. The Resurrection students learned the specific ends and outs of how the PMP plant operates. Thank you to Chuck Redmond and Rob Tunstall for enlightening the students on the wastewater treatment process.

Happy Birthday!

The Customer Service office is now open to the public from 8:00am –4:00pm Monday through Friday

Vermeer Midsouth Training Demo.

December 1, 2020, the Maintenance & Operations departments had a training demo with equipment from Vermeer Midsouth. The equipment and training seen below in the picture, was for a vacuum excavator trailer unit. The vacuum excavator is part of the 2021 budget for equipment purchase.
