Jackson County Utility Authority

Impressive Employment Record

Happy Birthday!

- Eddie Denson
- Lonnie Hanna
- Jerod Martin
- James Minchew
- Michael Newbill

In the past seven years, the JCUA has hired sixty employees. This averages about nine employees per year. Thirty three of these employees were new positions, the remaining twenty seven were for backfill purposes. The JCUA has grown tremendously within this time frame and we will continue to seek skilled employees for the future.

Happy New Year!

We hope everyone had a safe and happy Holiday season, and everyone is looking forward to a great year ahead!

Aflac & Colonial Open Enrollment

January is open enrollment for this additional insurance. Representatives from Colonial and Aflac will be on site at the Admin Office on January 15th and 16th between 8:30am and 3:30pm, and on January 17th from 8:30am until noon. All employees are required to see Colonial. You are only required to see Aflac if you already have an Aflac policy to renew the policy.

Did you know?

The average length of service to date at JCUA is 6.8 years!
